About Us

Since 1989, Beyond Rewards has been an industry leader in the Human Resources field. Specializing in Human Resource Consulting, Coaching, Recruitment, Health & Safety, Investigations, Training and Development; Beyond Rewards has the experience and expertise on staff to contribute to the success of our clients' projects.

Our passion for our clients' success drives the results of the projects we deliver.

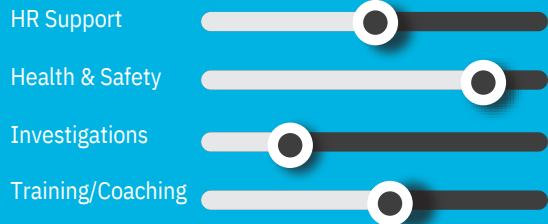

Our Partners

As a part of the local community, we have strategically partnered with some great businesses in the area to offer your business the best resources that we aren't able to provide.

Balance Your Needs

Beyond Rewards HR can assist your business from recruitment of your new team members, starting life cycle, integration into your organization and all the day-to-day human resources tasks required to operate your business.

We provide unbiased solution to resolve a pressing issue or quite simply to assist in training or coaching an employee to enhance their career within your organization.

Our Mission

Support businesses that have not reached the point of needing a full-time HR Professional on Staff and allow our clients to focus on their business while we take on the challenges of HR.

Our Vision

To be recognized by our clients as a strategic business partner adding value by providing excellence in the HR practices and services.
